PASSION FRUITS New PROANDRE

fragrance for
Proanplus Auto Sanitizer,
specially designed to create a **sweet and friendly bathroom atmosphere, without dense or recharged spikes,** while ensuring a complete cleanliness of toilette and urinary.

The aromatic notes are: **jasmine, heliotrope, bergamot, black currant, strawberry, blackberry, raspberry and blueberry.**

PROANPLUS AUTO SANITIZER

guarantees a clean toilette or urinary surface, without odours during 30 or 60 days (depending on the chosen programming), and at the same time it gives off a pleasant perfume.

It inhibits the proliferation of bacteria and prevents the pipes from becoming obstructed. It ensures a complete interior cleanliness, generating an abundant amount of foam.

Available refills (600 ml): Tangerine, Tangerine Upper, Forest (Pine tree), Ambient, Proan-Green (biological and without scent), Proan-Lip (Grease-Traps biological sanitizer) and **Passion Fruits.**
